- 2-3 Faith & Fitness Challenges each year.
- Events and programs to train your body, mind and spirit: Retreats, Meet Ups, Outdoor Adventures, Tons of Free Resources!

“At that time the disciples came to Jesus, saying, “Who is the greatest in the kingdom of heaven?” And calling to him a child, he put him in the midst of them and said, “Truly, I say to you, unless you turn and become like children, you will never enter the kingdom of heaven. Whoever humbles himself like this child is the greatest in the kingdom of heaven.”
Matthew 18:1-4 ESV

We work for His ‘well done.’ We have to be willing to humble ourselves, as little children. Let Him tell us what success really looks like.

“Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others.” Philippians 2:3-4

You will receive, as you go and take care of others.

“And everyone who has left houses or brothers or sisters or father or mother or children or lands, for my name's sake, will receive a hundredfold and will inherit eternal life. But many who are first will be last, and the last first.” Matthew 19:29-30

“But seek first the kingdom of God and his righteousness, and all these things will be added to you.” Matthew 6:33

This is a call to faith first, fitness second. This is a call to ministry first, business second.

Your fitness has nothing to do with the size of your thighs and everything to do with your ability to be on mission with the Lord. Your fitness doesn't give you faith, but your faith will make you fit.

The world is dying to see themselves correctly. To see themselves without fear, shame, guilt, and you will show them The Way, but FIRST, fear, shame and guilt off you!

Start where you are, God will grow you little by little. If you put in the work, you will change going through instructor training.

Pyramid of Learning:

- 5% through lecture
- 10% through reading
- 20% through audio visual
- 30% through demonstration
- 50% through discussion group
- 75% through practice by doing
