

REV ANGELS

VISION: Loving and supporting the Revelation Wellness Leadership Team and their families.

1 Peter 4:10-11

Each of you should use whatever gift you have received to serve others as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides so that in all things God may be praised through Jesus Christ. To him be the glory and the power forever and ever. Amen.

MISSION: To acknowledge the work and dedication of the Revelation Wellness Leadership Team and their families by bestowing love notes, favors and prayer focuses throughout the year.

For our Leadership team to Love God, Get Health, Be Whole, and Love Others they themselves need to feel the love and appreciation of those they are serving. As Rev Angels, we will strive to find creative and initiative ways to recognize the Leadership Team and their families at those times their lives are being impacted and/or experiencing life events allowing them to live freely while serving within Revelation Wellness.

We believe family plays a significant role in the Revelation Wellness Leadership team. Throughout the year, overnight travel is required, and this can have an impact on their families. We will extend to them our appreciation by recognizing their sacrifice of not having their family member at home.
