

Revive 2026: The Simple Plan

AN REVELATION WELLNESS

FROM "CALLING" TO "CONFIRMED" IN 3 STEPS

① THE QUICK MATH

Don't look at the big number. Look at the monthly number.

- **Registration \$1345**
- **Total Cost** (Registration + Travel): \$ _____
- **Months left** until Revive: _____
 - **PAYMENT PLANS:** Available for up to 3 payments. All payment plans must be started by 9/1/26, when enrollment closes.
- **The Monthly Goal:** \$ _____ (divide your total cost by the amount of months left)

TIP: SETTING UP THE REVIVE PAYMENT PLAN ON THE WEBSITE HANDLES HALF OF THIS FOR YOU IMMEDIATELY.

② HELP YOURSELF GET THERE

Most people use a combination of these:

1. **The "Selah" Shift:** Cancel one \$15/mo subscription and skip two \$7 coffees a week. (Saves ~\$70/mo).
2. **The Pop-Up Class:** Host a donation-based "Move + Pray" session for your community.
3. **The Skill Share:** Offer 3 private coaching sessions or a week of meal-prepping for a friend in exchange for a set donation.
4. **Move and Give:** Gather a few friends or your class community for a fun, donation-based workout.
5. **Host a Revelation Wellness Meet-Up** and invite support or charge a small fee. [Learn more.](#)
6. **Walk + Pray Gathering:** Host a simple outdoor walk with time for connection, reflection, and prayer. Invite a few friends, your class community, or local connections, and charge a small fee or invite support.
7. **Teach one extra class or session a week** and set that income aside for Revive.
8. **Clear It Out Sale:** Sell items you no longer use:
 - Clothes
 - Equipment
 - Household items
 - You can list these items on Facebook Marketplace, host a garage sale, or even sell to your class/community.

③ THE 2-MINUTE INVITE

People who benefit from your leadership want to support your rest. Use these templates to let them in:
